

Release no. 1/2009

Specification of expectations for 2008

- revenues and EBITDA in line with previously announced expectations

Due to the general market uncertainty, the management of Columbus IT wishes to specify the expectations for 2008 more precisely.

The previously announced expectations for 2008 were total revenues in the level of DKK 1,000M and an EBITDA of DKK 60-65M.

The specified expectations for 2008 are total revenues in the level of DKK 990M and an EBITDA in the level of DKK 60-61M.

Considering the financial turbulence and the general uncertainty about the global economy, the management is very satisfied with the development.

Auditing of figures for 2008 is currently in progress, and Columbus IT will publish the Financial Statements 2008 on March 23rd, 2009, in accordance with the published financial calendar.
